PROFILE

Hungry for learning and vision to contribute the world or at least Nepal through my skills therefore I'm in the journey to learn as many and as much as I can. Enjoy working with teams. Consider given tasks as challenges and dedicate myself unit its finished.

SKILLS

- HTML, CSS, JS
- Bootstrap
- MySQL, PHP
- Java
- React

OTHER LITTLE EXPLORATION

- Blender, Unity, GitHub
- C++, C#, Python

PROJECTS

TIC-TAC-TOE GAME

I watched video of a Youtuber named CodeWithHarry and learned how to create a simple Tic-tac-toe game and host it in GitHub Repo.
Link: https://bit.ly/3tzcSC0

PORTFOLIO WEBSITE (NOT HOSTED)

I've created a portfolio to showcase myself but have not been able to register my domain name and hosting through .np registry. It will be hosted soon.
